

## Educate & Engage Your Customers

with the Economical, Small-Footprint REVEAL® Wireless Tablet System

The **REVEAL by XSENSOR® Wireless Tablet System** is a mattress recommendation solution with leading-edge pressure mapping technology that provides an engaging way for your sales team to improve the mattress shopping experience and quickly find the right mattress for your customers. The easy-to-use software comes pre-installed on a reliable Microsoft® Surface tablet and connects via Bluetooth® to the test mattress. Use the tablet stand-alone when interacting with your customers or project the screen wirelessly to any television via the tablet's cast function.

With dynamic, high-quality images and maps, customers see what they feel and understand how the right mattress will provide the best support and comfort for their unique body.

### Increase Customer Confidence

The REVEAL Wireless Tablet System allows your sales team to capture and explain your customer's body pressure image and share personalized results that provide accurate and unbiased mattress recommendations to test.

### Small-Footprint & Versatile

The system requires limited floorspace and is compatible with single or queen test mattresses, ideal for small footprint stores. It is the most economical, entry-level solution and takes up the least amount of retail space of any REVEAL Educate system.

### Enhance Customer Experience

Equip your sales team and let REVEAL augment your store experience with a multi-sensory interaction for your customers. Using the customizable software and video options, REVEAL reinforces your brand, building and strengthening the relationship with your customer.

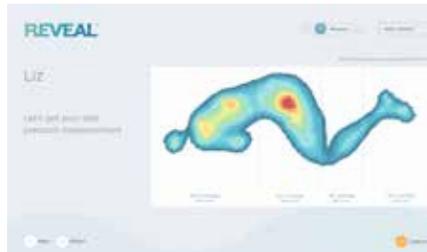

# Simple, Three-Step Process to Choosing the RIGHT Mattress

The three-step workflow is quick, easy to use and provides a consistent selling process that guides your salespeople through the REVEAL experience easily and efficiently.

Real-time insights and honest recommendations of an appropriate mattress category give your customers the confidence that they have found the right mattress.

"The best purchase made for my store by far. The XSENSOR system has made it easy for my customers and my sales team from day one. The BEST PART, it paid for itself the first weekend we had it through upsells and our ability to find the customer the perfect mattress."

**Matt Smith**  
**Snooze Mattress Co.**

"Our average sale price on just mattresses is up 17%. Our pillow business has more than a 500% increase and power base sales are up 250%. Overall, our system is a GREAT success, and our TV spot has been bringing people in asking to be mapped."

**David Bassett**  
**Pilgrim Furniture City**

"Our lowest producing RSA (Retail Sales Associate) became our best after we bought the [REVEAL] system and is now closing 14 out of 16 bedding ups. The consistent process has helped a great deal and improves trust between the RSA and customers."

**Michael Grossman**  
**Kensington Furniture & Mattress**
